

## L2 Fire Safety

QCF Level 2 Award (England, Northern Ireland & Wales)

Qualification title: FAA Level 2 Award in Fire Safety (QCF) Code:  
600/8190/9

Unit 1 title: Fire safety principles. Unit code: D/601/9698

### Description

You will, no doubt, be well aware of the potentially devastating effects of fires in the workplace in terms of lives lost, injuries, damage to property and the environment, and to business continuity. You may also be aware that it is believed that most fires are preventable. The importance of fire safety in the workplace is underpinned by health and safety legislation that places a duty on employers to establish policies and procedures and ensure their employees receive appropriate training.

This course is designed for employees who want to develop their basic fire safety awareness in order to assist their employer by undertaking more specific fire safety roles in the workplace to manage fire risk (e.g. as fire wardens/marshals/stewards etc.)

### Syllabus

A range of subjects is covered including:

- The hazards and risks associated with fire in the workplace
- How fire risk is controlled in the workplace
- The role of the nominated fire warden
- The principles and practice of fire safety management at work

### Online resources

E-book or hard copy book, resource list, revision materials, copy of presentation, registration and feedback for

### Duration

Online delivery 2 hours

A minimum of 6 contact hours in the classroom.

### Assessment

Assessment online is by a one to one professional discussion

Test paper assessment in classroom setting

### Certification

A Level 2 national qualification will be issued to the learner, subject to successfully completing the assessment.

By email once assessment completed successfully when delivered online

## L2 Fire Safety

QCF Level 2 Award (England, Northern Ireland & Wales)

Qualification title: FAA Level 2 Award in Fire Safety (QCF) Code:  
600/8190/9

Unit 1 title: Fire safety principles. Unit code: D/601/9698

### Numbers

A maximum of 16 students are allowed and must be a minimum of 14 years of age and a certificate can be offered to all, subject to assessment.

A student cannot assume a responsibility in the workplace until they reach the age of 16, and then it is the employer's responsibility to ensure that the student is suitable for that role.

A maximum of 8 learners can be accommodated online

### Certification

The certificate will expire as dated on the certificate, irrespective of age.

A Level 2 national qualification, will be issued to the learner, subject to successfully completing the test paper.
